

Board of Health
Serving Our Community Since 1880
Healthy Living – Healthy Princeton

All members of the Princeton community are invited to an open meeting at the Princeton Public Library on October 22 at 9 AM. We will discuss the Board of Health's current activities and plans for the future.

PRINCETON looks to a healthy FUTURE:

Princeton Future is helping to collect, manage, analyze and disseminate health-related data for decisions about all of us: the residents, the students and the employees of our community.

Your Lifestyle Our Community

- Our Dietary Habits
- Our Physical Activity
- Our Psycho-Social Barriers to Healthy Living

How does the Princeton Community's lifestyle impact the health of its citizens?

One of the ten essential local public health services your Board of Health performs is to monitor health status to identify community health problems.

Where is Healthcare Going? - Heather Howard, Princeton Council, Lecturer WWS

Introducing the Board of Health - George DiFerdinando, MD

Driving Assessment in Princeton - Jeffrey Grosser, MHS, HO, REHS, Princeton Health Officer

The Quality of a Healthy Diet - Rick Weiss, President, Founder, Viocare Inc.

Becoming a Team Leader of the Princeton Health Corps – Ralph Widner & Kevin Wilkes, Princeton Future

There will be ten minutes of Q & A after each presenter's remarks

**Please come to the Community Room of the Princeton Public Library on
